

# PILLOWS FOR PATRIOTS

**BEAUFORT, SC**

*“They’ll sleep better so we’ll sleep better!”*

In cooperation with a local company, Harris Pillow Supply\*, we are accepting donations in support of our cause which is to provide a better night’s sleep for our troops in Iraq and Afghanistan. Sometimes all they have is what they can carry in their backpacks, which gives them little or no space for comfort items. These pillows are packable, cozy and washable. John and Patrick Harris have volunteered to make compact and lightweight pillows that we can send to each of our loved ones and their comrades who are deployed overseas.

If you have family members that are deployed overseas, please let us know their addresses and according to the donations we receive, we would be glad to send pillows to them.

**The shipping cost is \$3.25/per pillow, to ship these to our troops overseas.**

**If you’d like to help with this project or donate please contact:**
